

Principal's Report, P&F Meeting June 2017.

Welcome to the final week of what has been a very good, successful, enjoyable term. You will note from the term calendar that it has been a big and busy one, with Confirmation, Assemblies, the Business Directory release, Trivia Night, Disco, Cross Country, Winter Sports Carnival, Kindy 2019 interviews – what a list! But at the centre of it all, is the fact that this is an important teaching and learning term. A lot of ground is covered, and I think it fair to say that in conjunction with that, our attendance rate has been a bit better also. We have had 'waves' of absences, but the waves haven't been as big as they were in term two last year! Together this has meant a more stable and calm environment at school, with more work able to be done.

In terms of staffing next term, Mrs Michelle Cianflone will remain in Year Five Catherine together with Pat Winton. Rosemary Ledger, currently on long service leave, has developed a health issue that needs to be attended to. Our thoughts and prayers are with Rosemary at this time, and we wish her a full and speedy recovery. Rosemary's class, as well as the parents, were informed today and will be made public in this week's newsletter.

The events led by the P&F this term have been very well-received. You have focused on supporting both parents and children. The P&F are to be congratulated on a successful term of community building. From all of us, thank you very much indeed. We hope you enjoy the break, the lack of routine, and we look forward to seeing everyone back in business next term.
