Jesus’ basic justice agenda was simple living, humility, and love of neighbor. We all have to live this way ourselves. From that position, God can do God’s work rather easily.

Dear Parents and Guardians,

TENTS!
Thank you so much Nathan Byrne who managed to secure three barely used sizeable tents from his employer Samsung to replace some of our ageing ones. Nathan we are very grateful to you and to Samsung!

BUSY BEE LAST SATURDAY
This Busy Bee was undertaken in preparation for the water feature to be installed as the final piece in the Pre-primary playground puzzle. Thank you to teachers and parents who cracked the whip to get this done so quickly!

SUNDOWNER
The purpose of the Sundowner was to thank the P&F and volunteers who put so much in to the three playgrounds our children are so lucky to be using. Everyone was invited and there was a good turnout of parents, grandparents and children. So much, so good, such a short time – who would have thought it possible! Father Peter did a lovely job of blessing the new playground, and the P&F supported by the Board hosted a fantastic afternoon of food and beverages to celebrate. Sincere thanks to everyone who was able to swing by and be a part of it.

Thank you for a very successful and enjoyable first term. With best wishes to you and your children for an enjoyable and life giving holiday. We look forward to seeing you on Tuesday April 26.

4 YEAR OLD KINDERGARTEN ENROLMENTS 2018

We will be interviewing new families to the school in Term 2, 2016. For families already within the school with older children from 4 YO Kindy to Year 6, no interview will be required. If you have not enrolled your child or are unsure whether an application has been completed, please contact Laurie Evans.

SCHOOL BANKING

School Banking will **resume** in the second week of term two - **Tuesday 3rd of May**.
The next **redemption day** will be **Tuesday 10th of May**. The new rewards for term two are the handball and "Pat the Dog" Bag Tag.
The easiest way to start School Banking is to visit your local Commonwealth Bank. Existing CBA customers need to take in their child’s Birth Certificate. If you are not an existing CBA customer you need to take in 100 points of identification and your child's Birth Certificate.
School Banking is **every Tuesday 8:15am - 8:45am** at the **Canteen**. We hope you all have a lovely holiday break.

PRAYERS FOR SOPHIE MARTIN

One of our students, Sophie Martin, is seriously unwell and is in Intensive Care at Princess Margaret Hospital. Sophie’s parents Shelley and David would really appreciate the support of all of us in the form of prayers for Sophie’s recovery. As a community caring for one of our own we invite you to do exactly that and pray for Sophie and for her family.

Thank you very much for your support of this lovely child and her family.

There have been a number of cases of head lice (Pediculosis) reported in the past few days across a range of classes. It is really important that all parents read the information below, check all family members and treat appropriately. Children may return to school once treatment has commenced.

Your assistance in helping to break the head lice cycle is greatly appreciated. Lets aim for a nit-free start to Term 2!

**Head lice**

A Head Lice Fact Sheet is available from: www.public.health.wa.gov.au

For your Local Government Immunisation Provider or Public Health Unit telephone number see page 3.

**Head infestation**

Children with head lice infestation are required to have their hair cleared of lice before returning to school. This can be achieved by parents using an insecticide product purchased from the local pharmacy and used according to the manufacturer’s instruction. However, this must be followed by parents physically removing the lice from the hair after the recommended time period using a special knit comb. Hair will need to be checked by parents on a daily basis for the following 10-days to ensure that all lice and eggs have been removed from the hair. Refer to the Department of Health, head lice fact sheet at www.public.health.wa.gov.au

Alternatively, for those parents who do not wish to use an insecticide the 10-day hair conditioner method of removal can be used.

Head lice can be more easily removed by applying plenty of hair conditioner to dry hair before combing to remove live lice and eggs (nits). Any type of hair conditioner may be used, including generic ‘home’ brands, together with a metal fine-tooth ‘nit’ comb. Suitable ‘nit’ combs can be purchased from most pharmacies.

**What to do**

- Apply plenty of hair conditioner to the dry hair until saturated.
- Comb through with an ordinary comb or brush to remove tangles.
- Section and comb the hair thoroughly with a metal fine-tooth ‘nit’ comb in four directions – forwards, backwards, left, and right.
- Wipe the comb on a white paper towel to check that the dark adult lice or the paler hatchlings are being removed. Hatchlings are young lice which emerge from eggs. You may need to use a magnifying glass and a strong light to see the lice and eggs.
- Using white hair conditioner may make it easier to see the head lice.
- When combing is completed rinse the hair conditioner out and dry the hair.
- Repeat this process daily for 10-days to cover the hatching period of the eggs. This removes the hatchlings which emerge from missed eggs.
- Check your findings for adult head lice each day after commencing the 10-day combing period. If any are found this will be a new infestation. You will need to start again from day 1, as new eggs may have been laid.
- Check for lice reinfection once a week for at least four weeks after completion of the 10-day treatment. Hair conditioner makes the inspection easier.
- Check all other household members for head lice infestation using the method described above, and treat as necessary.
