Thomas Merton wrote that "the will of God is not a 'fate' to which we submit but a creative act in our life producing something absolutely new . . . something hitherto unforeseen by the laws and established patterns. Our cooperation (seeking first the Kingdom of God) consists not solely in conforming to laws but in opening our wills out to this creative act which must be retrieved in and by us."

Dear Parents and Guardians

Thank you so much for a great term.

Best wishes to you and yours for a wonderful holiday.

CROSS COUNTRY 2016 RESULTS
The Holy Rosary Cross Country Carnival was held at Jackadder reserve on Monday June 27 for all students in Year 3-6. The sun came out and all of our students had a lovely morning showing off all of their hard training with some excellent running skills. All races were completed with lots of smiles and the children managed to expel a lot of energy on the day. Once again, Red proved too strong with some fantastic performances on the day from all factions. As all ways I would like to thank all of the staff and mums and dads that put their hand up to help and support the children on the day.
I would also like to especially thank Julie Catherall who gave up 4 Friday mornings to run the running club. Julie is a passionate runner and triathlete and we are very lucky to have her support and help.

INTERSCHOOL CROSS COUNTRY
Congratulations to all of the students that have been selected for the Holy Rosary Interschool Cross Country Squad. The students in the squad are listed below and I have sent permission slips home this week. If I could ask parents to return these forms early in Week one Term 3 that would be very much appreciated as the carnival is in Week 2.
The Interschool Cross Country Carnival will be held on July 26 at Alderbery Reserve, Perry Lakes. The carnival will run from approximately 10:15am until 1:20 pm, however, helpers should attempt to be there by 9:40am. Selected students from Year 3 to Year 6 will be in attendance and we will be taking 5 boys and 5 girls from each year group on the day.
On the day of the carnival the team will meet in the undercover area at 8:40am and we will then get onto the bus. Students should wear their Holy Rosary Sports Uniform. They should also have a jumper, towel, drink bottle and food for the day as they will not be able to buy food at the venue.
I would really appreciate some parent helpers on the day and it would be nice if we could have a few people who could then swap at regular intervals to make sure everyone can see their son or daughters race. So if you can help out please fill out the section in the permission slip and return it to your child’s classroom teacher by Tuesday July 19. The carnival will be quiet informal and all jobs are relatively easy but I would love to hear from you as many hands make light work.

NATIONALLY CONSISTENT COLLECTION OF DATA

The Nationally Consistent Collection of Data for school students with disability is occurring over the next few months in all Australian schools. The implementation of a nationally consistent approach to collecting data on school students with disability will provide all Australian schools, education authorities and the community with information about:

- how many school students with a disability there are;
- where they are; and
- the level of adjustment provided for them to participate in schooling on the same basis as other students.

Please refer to the link should you wish to have a better understanding of this collection.

Notify the school if by the end of term if you do not want your child included on the list.

UNIFORM SHOP

Monday 8:30am - 9:15am - Thursday 8:30am - 9:15am

The uniform shop is not open during the holidays or on PD days. Click here for order form or utilise the forms available from the School Office. Orders can be left in the Office, or emailed to Zerk.Susanne@cathednet.wa.edu.au at the Uniform Shop. These will be delivered to your child’s classroom, once payment is successful.

SCHOOL BANKING
School Banking will resume on Tuesday 26 July. This will be a reward redemption day. The new rewards for Term Three are the skipping rope and erasable pen.

Term 3 Competition - Prize Lights
9:00am AEST on 11/07/2016 to 11:59pm AEST on 30/09/2016.
The winners’ draw will take place at 12:00pm AEDST on 12/10/2016.

Competition Entry & prizes
Students who make three or more School Banking deposits during Term 3 will have a chance to win one of the Star Saver prizes including 50 camping kits, 90 instant cameras and 200 magazine packs. Excitingly, this year we have a second prize pool available. Students who complete the fun Stargazing online activity, along with making their three deposits during Term 3, will also go in the separate draw to win one of 50 Supernova prizes – PlayStation 4 packs.

We’re also giving schools a chance to win one of 75 bags full of sports equipment, valued at $200, when at least one student makes three School Banking deposits during Term 3. School Banking is every Tuesday 8:15am - 8:45am at the Canteen.

Have a wonderful break and see you next term.

Sonja, Christine, Lisa and Natalie

UPDATE - NEW PRIORY AND PARISH CENTRE
The parish is pleased to advise that it has now assembled a full design and construction management team to oversee the new priory and parish centre on land adjacent to the current south driveway of the church.

Ron Edenberg, of Peter Hunt Architects, who originally designed our dual building, has agreed to continue working on the project and we have welcomed Paul Roberts, of Rawlinson’s, who has offered to perform quantity survey and construction consultancy services.

The next imminent stage of the project involves seeking Development Approval (DA) from the City of Stirling. Documents have been prepared for submission to Stirling as soon as Landgate approves the transfer of the land title from the Dominican Fathers to the Perth Archdiocese.

The next step will be to go to market to assess and appoint a whole-of-construction tenderer. A similar approach will be required for landscaping.

At this stage it is difficult to provide a firm construction schedule, but we are hoping, subject to receiving all statutory approvals and funding, to have our successful builder commence work before the end of the year.

The Dominican Fathers will be holding their Provincial Council meeting on the 5th and 6th July (this coming week) and, amongst other matters, will discuss our plans and the proposed budget.

Regis, the owners of the adjoining land, have informed us that they expect to commence site works for the Aged Care facility in another 6 to 8 weeks. As vehicular traffic, including the movement of heavy construction equipment, is expected to increase during weekdays, parishioners are advised to take extra precautions when entering or leaving the church grounds.

Regis and the Parish have agreed to meet regularly to address mutual matters and take measures to mitigate any interface issues that may arise during the construction work on both sites.

Dear Parents and Caregivers

As we come to the end of Semester One, I would like to take the opportunity to thank you and your family for the vital role you play within our Catholic Education community in Western Australia. For those of you who have joined us this year, I extend an especially warm welcome.

Some of you may have heard about the 2016 National Catholic Education Commission (NCEC) Conference which was hosted by Catholic Education Western Australia recently in Perth. The conference, attended by more than 1,400 delegates from across Australia and the world, presented opportunities for many of our principals and teachers to contemplate a Catholic education system that provides new educational opportunities and ways of learning.

It was truly wonderful and humbling to hear Honduran Cardinal Rodriguez Maradiaga speak of Catholic Education in Australia as one of the best Catholic school systems in the world. I am confident that this would not be the case without the hard work and dedication of our staff, or without the invaluable contribution from the parents, families and friends that make up our school communities.

This term was filled with countless stories of student achievement, innovative teaching and learning approaches, and inspiring community initiatives across our system of 163 schools. Witnessing the first Catholic School Youth Summit, with Year 10 and 11 students from across our state, reinforced the agility and resourcefulness of Catholic Education to reimagine learning in a complex youth environment. The opportunity to join hundreds of primary school students from across the Archdiocese of Perth to support the 2016 Lifelink Day campaign launch encouraged me to reflect on the role of our schools to grow compassionate school communities, where Christian values flourish in the lives of our children.

As the winter holiday begins, I hope you will have opportunities to spend time with your children, to have fun, and to continue learning with them and from them. I also hope it is a time for you to reflect on the great importance of your role as your child’s first educator. May you be encouraged by the words of Cardinal Rodriguez Maradiaga, in his address to the NCEC Conference, “To be an educator is to be joyful.”

I wish your family a joy-filled winter break.

Yours sincerely

Dr Tim McDonald
