Contemplation is very far from being just one kind of thing that Christians do: it is the key
to prayer, liturgy, art and ethics, the key to the essence of a renewed humanity that is
capable of seeing the world and other subjects in the world with freedom - freedom from
self-oriented, acquisitive habits and the distorted understanding that comes from them.
To put it boldly, contemplation is the only ultimate answer to the unreal and insane world
that our financial systems and our advertising culture and our chaotic and unexamined
emotions encourage us to inhabit. To learn contemplative practice is to learn what we
need so as to live truthfully and honestly and lovingly. It is a deeply revolutionary matter.

*Rowan Williams, address to the Roman Synod of Bishops, 2012*

Dear Parents and Guardians

This excerpt from Williams address asks us to take the opportunity to look at things quite
differently to the way in which we often can and do. I hope you like it.

To our 3 Dominic Gang, your assembly was just fantastic! We loved your sharing of your
talents! Congratulations to you all, and to your teacher Jemima Simpson!

Thank you to all parents who were able to attend Tuesday’s ICT & P&F meetings. It is
always good to witness your interest in what is taking place in our school, and why. On that
note Rachel Nash does a great job of ensuring that the minutes from each meeting are up
on the website for everyone who would like to, to really get a handle on the good and life-
giving work embraced by the P&F.

Our Library Officer Holly Butson has done an exceptional job of arranging and organizing the
‘Monster Book Fair’ that has run so very well this week. To Holly, and to the many parents
and Year Six library monitors, we thank you for making this event quite irresistible!

Brother Stephen is taking long service leave for the rest of the team, and we wish him an
exciting and enjoyable time away. Save travels Stephen!

Best wishes

Mark de Kuyver
Principal

SIENA CENTRE WINE FUNDRAISER

Please support the Siena Centre to purchase some much needed resources!! From time to time specific resources are required for the children to progress. Special Education resources are usually very costly because there is less of a demand for them. At the moment the Centre is in need of a laminator. We are continually laminating schedules, high interest word cards etc. and many other visuals to enable the children to learn and function independently at school.

Learning to use money is a big part of the Mathematics curriculum for children with special needs. The teachers would like to purchase the Clark Road Money Programme to assist in achieving this goal. A number of our children have complex communication needs. To help with programming for this and to give the children a way of communicating, the Siena teachers would like to purchase a specific communication system.

The rest of the funds raised will be put towards a wheel chair swing that is going to be installed in the playground/oval at a later time.

Please see Order form on following page.

Rosary Care Sunday
Rosary Care has been operating in our parish under the umbrella of the Arch Diocese group, Catholic Outreach, since 2003. During that time we have had close to 100 volunteers registered with us. Our present number is 56. In order to reach as many people in need at various times we would like build our volunteer base to 75. At Sunday Masses on the weekend 11/12 June we will be talking to you about our work and the ways people with even limited time can find joy in helping others. Have you got our 2015 Brochure? We update it each year for the Feast of the Assumption. It is on the school and church notice boards.
