Sharing in God's One Spirit

The Holy Spirit is God's very own life shared with us and residing within us (see John 20:22). When we pray, we are steadfastly refusing to abandon this Presence, this True Self, this place that already knows we are beloved and one with God. But our false “contrived" self is so needy that we must practice living in this presence through conscious choice (“prayer”) at least once, but preferably many times, every day. Contemplative prayer is "our daily bread" that keeps us nourished so we can dare to believe the Gospel, to trust the Divine Indwelling, and to remember our God-given identity. Gradually, we learn how to abide in this spacious place more and more, how to draw our strength, dignity, and solace from this Stable Source. When we live from this place of conscious unity, we are indestructible.

Dear Parents and Guardians

More of our children make their first Reconciliation this weekend. Please keep them and their families in your prayers.

Thanks to Mr Thuijs who arranged the photo schedule for this week – no mean feat! The process went well and we hope for good pictures.

We wish our students in Years Four and Six every success on Monday when they are performing at the annual Catholic Schools Performing Arts Festival. Much preparation with Mrs Kirwan has been evident. Break a leg!!

We look forward to seeing you at our assembly on Friday, with our 1 Catherine gang performing.

Best wishes

SCHOOL FEES
There are still a considerable amount of school fees outstanding. Please make every effort to make payment of these as soon as possible. If you are experiencing difficulty with the payment of fees please contact Laurie Evans.

DOGS
Thanks to parents and guardians who tie their dog to the ‘Holy Rosary’ sign outside school when collecting or dropping off children. Keeping dogs outside the school gates and not on school grounds is appreciated. Some of our children are terrified of dogs and playing your part helps them.

GATES
Please ensure the main school door (gate) closes after you when entering and leaving. The safety and security of our children is very important and your help means a lot.

DOMINICAN PADI FIELD
We are advised by our groundsman that the grassed area of the playground has to remain closed for several more weeks due to the slow regrowth. The sandpit can be used, and families who would like to stay back after school may use the parts of the oval not sued for after school sport. Our apologies, the weather has not been in favour of growing grass.
