Dear Parents and Guardians,

Many former Holy Rosary students were honoured at the Newman Thanksgiving and Awards Ceremony last week, and we have taken the liberty of acknowledging them in our newsletter. Likewise we offer our congratulations to them and their families.

Links to all of the reports presented at last week’s Annual School Community Meeting (AGM) are included in this newsletter. I suspect that that will be plenty to read without me adding anything!

Have a great weekend

Mark de Kuyver
Principal

If you would learn more, ask the cattle, Seek information from the birds of the air. The creeping things of earth will give you lessons, And the fishes of the sea will tell you all. There is not a single creature that does not know That everything is of God’s making. God holds in power the soul of every living thing, And the breath of every human body.

—Book of Job 12:7-10 [1]
WHAT IS ADVENT?
Advent is the season that begins the liturgical year. It consists of four Sundays starting with the Sunday closest to November 30th. The word advent is derived from the Latin adventus, which means "coming" or "arrival." For Christians, Advent is the time when the church patiently prepares for the coming of the King of Kings, Jesus Christ.

WHAT IS THE CHURCH'S FOCUS DURING ADVENT?
Advent is the first part of a larger liturgical season that includes Christmas and Epiphany and continues until the beginning of Lent. Even though Advent occurs in the month of December and is usually considered to be a prelude to Christmas, it is not simply about waiting for the birth of Christ. We celebrate Advent to remind us of God, that God is in our -- past, present, and future. First, we remember the Lord’s humble first coming in Bethlehem two thousand years ago. Second, we give thanks for His present and continual coming to us through Word and Sacrament. Finally, we look forward with hope and longing to His second coming in glory to judge the living and the dead on the Last Day.

HOW WILL WE CELEBRATE AS A COMMUNITY?
The season of Advent begins this Sunday with the lighting of the ‘First Advent Candle’. Although we only have two weeks of school, we will also celebrate Advent with four short liturgies and the lighting of the Advent candles. These liturgies, to which all are invited, will take place at 3:00pm on Monday 28 November, Friday 2 December, Monday 5 and Friday 9 December.

SCHOOL BANKING

I have been informed by the bank that children between the age of 0-18 who have siblings at Holy Rosary can still have their sibling do their school banking for them. This would include any younger siblings who do not yet attend Holy Rosary or any siblings who now attend high school. So if wish for your younger or older child to still participate in the School Banking Program this is still possible and they can still earn tokens to redeem rewards.

The quickest way to open a Youth Saver Account for School Banking is to visit your local Commonwealth Bank (CBA) Branch with your child’s Birth Certificate. New parents to CBA need to provide “100 Points” of Identification. Otherwise please visit us during School Banking.

School Banking is every Tuesday 8:15am - 8:45am at the Canteen.

See you next week.

Sonja, Christine and Natalie

SCHOOL FEES

As we approach the end of year, there are still a considerable amount of school fees that are outstanding. Payment is required as soon as possible.

St Vincent de Paul Christmas Hampers

Once again we have a great opportunity to help the St Vincent de Paul Group in our parish provide Christmas hampers for those who are less fortunate than ourselves. This is a real and practical way for us to be of service to others. These goods can be brought to school daily over the final 2 weeks and will be stored in classrooms.

Thank you for your ongoing help and support.

So why 21st Century Learning Environments at Holy Rosary?

Both the Australian Curriculum and the Melbourne Declaration on Educational Goals for Young Australians, create a backdrop to understanding the educational challenges and changes that face all those involved in education today. 21st century education integrates technologies, engaging students in ways not previously possible, creating new learning and teaching possibilities, enhancing achievement and extending interactions with local and global communities.

21st century learners need 21st century classroom learning environments. To this end, a classroom redesign and refurbishment project is being rolled out from the beginning of 2017 in Year 1 and later in the term for Year 6. The modifications we are making here at Holy Rosary mark the beginning of a whole school improvement plan to change to the physical environments of all our classrooms over time.

We are fortunate enough to have devices in the hands of all students and teachers, who are authentically responding to the changing demands of the West Australian Curriculum. However like all schools, we require more agile learning spaces, spaces that have the flexibility to be easily and quickly reconfigured to suit the specific learning need at the time. Agile learning environments use both soft and hard furnishings to cater for explicit teaching, group and individual work, with ready access to existing and emerging technologies as well as new learning mediums.

This is an exciting time for your children and our school! Please watch this space as we share photos of the awesome physical changes going on in classrooms over time, as well as some of the many wonderful learning opportunities that will be going on in our modified learning spaces!
