The beginning and end of everything is love. Only inside of the mystery of love—mutual self-emptying and infilling—can we know God.

SCHOOL BANKING

School Banking will resume next week on **Tuesday 7th of February 2017**, 8:15am - 8:45am at the canteen.

I have been informed by the bank that children between the age of 0-18 who have siblings at Holy Rosary can still have their sibling do their school banking for them. This would include any younger siblings who do not yet attend Holy Rosary or any siblings who now attend high school. So if wish for your younger or older child to still participate in the School Banking Program this is still possible and they can still earn tokens to redeem rewards.

The quickest way to open a Youth Saver Account for School Banking is to visit your local Commonwealth Bank (CBA) Branch with your child's Birth Certificate. New parents to CBA need to provide "100 Points" of Identification. Otherwise please visit us during School Banking.

PARISH NEWS

Dear Parishioners

CONSTRUCTION OF OUR LADY OF THE ROSARY PARISH CENTRE

I am very pleased to inform you that Badge Constructions (WA) Pty Ltd. has been appointed to build the new Parish Centre including the Priory. We are aiming to exchange contracts during the week commencing 23 January.

To ensure that the cost of the building, including internal furnishing and landscape work, can be completed within our budget and on time, Badge has agreed to undertake value engineering studies to achieve ongoing savings by working collaboratively with our architects and quantity surveyor.

Overall, the tender process has produced a good outcome for the parish because Badge is already working on the adjacent site, building the new aged care facility for Regis. This means the company has on hand a readily available construction team and equipment so it can begin work immediately. Furthermore, the appointment of a common contractor minimises potential interface issues that may arise between the adjacent building sites.

Work is expected to start on 1 February and should be completed within 28 weeks.

However, before the building site is cordoned off, Badge will begin work in the front of the church to provide additional car parking to replace bays on the south side of the church which will become part of the construction site. While every effort will be made to minimise inconvenience, parishioners are nevertheless requested to be cautious and to observe safety signs and directions when construction work commences.

Although it has taken a long time to achieve this exciting milestone, the Parish can now look forward to owning a modern facility which will serve current and future needs of our community.

I wish to take this opportunity to thank the Dominican Fathers for generously supporting this project as well as everyone, past and present, who have been involved in making this a reality.

May God Bless you all.

Yours in Christ

Fr Peter Nguyen OP

PARKING:

A reminder to parents that for the rest of the year, while building is in progress that there is no parking in front of the church - this includes the verge. You are also asked not to drop off or pick up children from this area.
