Food and Wine Fair

SD gave an update on behalf of SX on progress. A fee for entry was discussed and options for lighting (to save costs on a generator) were presented. This was to be looked at in further detail. A suggestion for a sausage sizzle run by the P&F was put forward and after some discussion the meeting decided it may be seen as competing with the food vans, especially if they are paying for the space. The P&F should run the drinks and ice-creams instead.

It was suggested drinks be kept in the fridge rather than ice buckets so the drinks can be returned if not used. Subcommittee and date needs to be set up. SD offered to be on the wine sub-committee.

Action: NC to look at lighting with SX
