

Holy Rosary Primary School Community Representatives 2018

Hello

We're a bunch of parents who feel passionate about our school, providing the best opportunities for our children and building community. Yes, technically we are the P&F, but we feel we would like to serve the school in a slightly different way, which is why we prefer the idea of being parent community representatives. You will see us around the school – please feel free to approach us at any time or email holyrosaryhelpers@gmail.com

We hope to help...

Parent Community

Create friendships and support for each other.
Have some fun!

Business Community

Help families to prosper.
Provide opportunities for families to 'give back' with skills and financially.

Fundraising

Raise funds for school resources and facilities – for fun and for learning; as well fundraising for causes.

Empowering Parents

Arrange seminars and events that inform and empower parents.
